

**N.C. JINDAL PUBLIC SCHOOL**

**PRIMARY SCHOOL**

**SESSION (2021-2022)**

**REPORT: PARENT ORIENTATION DAY (Pre-School)**

An interactive "Parent Orientation Day" for Pre-School was held virtually on 6<sup>th</sup> April, 2021 by Pre-School facilitators individually for all the five sections from 9:00 am to 9:40 am. The session started with the School Tour highlighting all the facilities provided by the reputed institution under the mentorship of our worthy Principal, Dr. D.K. Pandey. A lot of playful activities, colourful worksheets and engaging games were shown to give parents, an overview for the upcoming session. Principal Sir and Headmistress Ma'am, Mrs. Indu Jain, gave their best wishes, showered their love and assured the parents that their tiny tots are in safe hands.

In the end the queries of the parents were patiently taken up by the teachers. Our school's Special Educator, Mrs. Aarti Sachdeva emphasized the need for individual attention on Health and Nutrition. Academic Co-ordinator, Mrs. Sangeeta Chugh, also addressed the parents and discussed with them the importance of learning by doing.

The programme was a huge success and teachers as well as parents were thrilled to start the new session of Pre-School.
