## Report on Pi-Day Celebration

July 22 ,also known as the Pi Approximation day, was celebrated by the students of N.C.Jindal Public School on July 22nd ,2021 on the virtual platform. Various activities and fun games were organized for students by the Mathematics Department that aimed at teaching students fascinating facts about Pi, accentuate their interest in Mathematics and bolster their creative imagination .

The following activities were taken up from class VI to XII:

### CLASS -VI

Art &craft (eg. Pi- greeting cards, masks,book mark etc)/ pi-Chain ( Paper,beads etc)/pi-Cookies

### CLASS- VII

Pi- poster/ collage making/Pi- Pennants

### CLASS -VIII

Pi- design (T-shirt, Mug,Pot, Plate, Handkerchief etc)/Pi- day Slogans

### CLASS-IX

Pi- digits recitation/ Pi-Slogans/pi- games

### CLASS -X

Pi- digits recitation/Pi-quiz/Pi- Challenge(fun activities)

### CLASS XI and XII

Pi-quiz / Pi-Panel discussion

The students participated in a wide variety of activities during the online classes and showcased their creative

abilities and artistic skills by making beautiful posters and colourful Pi- designs on a wide variety of things available at home. Students memorised the digits of Pi and participated actively in Pi- digit recitation. An Online quiz was conducted to enhance their logical reasoning in which more than 530 students participated actively with great zeal and enthusiasm.

Pi- Panel discussion proved to be beneficial to the students as it involved them in a lively discourse. All activities contributed immensely in achieving planned learning outcomes and made the Pi day celebration a fruitful and enriching experience for students
