

N.C. JINDAL PUBLIC SCHOOL

PRIMARY SCHOOL (Session 2021-22)

Ek Bharat Shreshtha Bharat

JANUARY REPORT

As a part of Ek Bharat Shreshtha Bharat being observed in the school, a virtual quiz was conducted in the Primary School in the month of January. It is an unpredictable world and we all need to stay aware and vigilant. An individual who is well aware of the current affairs and facts about the world is called an intellectual and this was truly displayed in the GK Quiz. The students of classes I to V were shown a video describing the rich and ancient culture, food, costume, flora and fauna of Sikkim. The activity helped students by providing them an opportunity to learn about the diversity of India and its rich state- Sikkim.
