A Report on Inter-House Tangrammer Activity
15th July, 2022

To build creative thinking , solve real world problems and to achieve sustainable development goals for saving aqua life , an inter-house activity ‘Tangrammer’ was organized on 15thJuly, 2022 under two categories VI – VIII and IX- XI. The students were required to depict ways to protect aqua life and develop sensitivity towards marine world by using images of Tangram puzzle. The students remarkably expressed their ideas using the mathematical concept. They also understood different geometrical shapes and their properties used in the puzzle. They explained Tangram Puzzle effectively and conveyed their message to achieve SDG#14.

In a nutshell,Tangrammer activity achieved all the planned learning outcomesand simultaneously showcased their best potentials.

Result	VI - VIII	House
	1. Lakshay VIII-E &Kapish VI-C	SHASTRI
	2. SimarnThapar VIII-A &Kriti VIII	TAGORE
	2. Vaishnavi VIII-A &Mahi VIII-B	PATEL
	3. Aarav VIII-A &Ayush VIII-A	JAWAHAR
	IX - XI	
	1. Yashika X-E &Chaarvi X-E	TAGORE
	2. Siddhi Sahani XI-A &Ananya IX-D	GANDHI
	3. Gaurav X-C &Yugav X-C	SHASTRI
