

N.C. JINDAL PUBLIC SCHOOL

READING MONTH

PRIMARY SCHOOL

2021-22

Reading month was celebrated in N.C. Jindal Public School from 19.6.21 to 18.7.21. A number of activities were conducted to motivate children to explore the wonders of reading. Online reading sessions were held wherein students read their favourite story books and recited poems of famous poets. Teacher's talks were held to motivate children to read books. Videos on importance of reading were shown during online classes to make children aware of benefits of reading. Audiobooks were shared with the students.

As the reading month approached culmination, a number of interesting and engaging activities were conducted for the students. Students of class II designed beautiful book marks. Class III students created attractive book covers. Students of class IV reviewed their favourite books and shared their videos with their class teachers. Students of class V spoke about their favourite authors. These activities helped students in exploring their creativity and improving their social and communication skills. Students participated enthusiastically in these activities.
