**Report On World Conservation Day: Vrikshabandhan –
A Bond Between Us and Trees**

“Let’s nurture the nature so that we can have a better future”

Members of green waves Eco-Club of N. C. Jindal Public School, Punjabi Bagh celebrated “Vrikshabandhan” in a unique way. The activity was conducted for classes 3 to 5 on 28th July, 2021 virtually on the occasion of “World Conservation Day”.

The students made Eco-friendly rakhis from old rag-rug, wool, embroidery threads and beads. They tied the knot of care (Rakhi) on their favourite plant. The students took an oath and promised to protect it. They also spoke beautiful lines on the topic “**World Conservation Day**” emphasizing the dire need of conserving nature.

The main objective behind celebrating the day is to conserve trees and animals that are on the verge of going extinct from the natural environment of the earth. This activity was done by the students in an attempt to raise awareness about the environment.
