D.O. No.210820/Secy(SE&L)/1

Dated:21.08.2020

Dear Ma'am,

The Department of School Education and Literacy has decided to call for suggestions from school teachers and Principals from all over the country on how to take the implementation process of the National Education Policy, 2020 forward.

To simplify the process for the teachers, the suggestions are being called on each theme of the NEP related to school education (List attached), through a question answer process. The questions are framed in such a manner that teachers can relate to them from their experience as teachers and classroom transactions. Each question also gives reference to the paragraph of NEP to which refers to, to enable the teacher to read the same for better understanding of the policy, before uploading suggestions.

All suggestions received shall be examined by a team of experts from NCERT. Though suggestions are being called in a limited words format, however, for gathering further information, if required, teachers whose suggestions are found useful for incorporating in National Curriculum framework or in the Implementation Plan, shall be individually contacted.

Teachers and Principals can go to the link <http://innovateindia.mygov.in/nep2020> and register their details first. After that, they may browse through the chapter wise questions, and give suggestions on as many areas as they deem fit. We hope that teachers will give suggestions based on their own experiences and learning's. This will add value and richness to this whole exercise.

The Central Board of Secondary Education is requested to disseminate this widely amongst all the teachers of all the CBSE affiliated schools. The CBSE may hold video conferences on priority, send to teachers WhatsApp groups being maintained at various levels for ensuring wide dissemination of this process.

The dates for uploading suggestions by teachers are 24th August to 31st August. We look forward to wide participation from schools affiliated with CBSE.

Best wishes

Yours sincerely,

Anita Karwal
