

FACILITIES IN THE SCHOOL

CANTEEN

The school has a canteen where the students are provided healthy snacks and other eatables, juices, healthy drinks etc. on cash payment at fixed rates. The members of the Canteen Committee frequently monitor the quality, sanitation and hygiene of the items.

CLINIC

School has the facility of a clinic where a trained doctor (on call) and two nurses look after the sick students for minor ailments and provide immediate First Aid. In case of emergency, students are taken to the nearby Hospital/Nursing home where only qualified doctors attend to ailing students.

TRANSPORT

The school has its own buses as well as 'hired buses' for commutation of students. Students can avail school bus facility subject to the availability of seats. Generally, the school does not entertain any change in the bus route to suit the individual convenience. Change of the bus stops for a day or a week is not permitted. The bus charges vary according to the location of the residence of the child from the school. Parents must give clear one calendar month's notice for discontinuation of the bus facility only up to 30th November, 2023.

LIBRARY

The school has a library with computer facility. This facility is available to all bonafide students of the school during the school hours. All classes are provided at least one library period per week. The library has open shelf system. Students are not allowed to bring their personal books and bags etc. inside the library. Students are allowed to borrow books on their bar coded photo identity cards only. Educational C.D.'s and internet facilities are also available in the library.

LABORATORIES & ART ROOM

The school has well equipped Physics, Chemistry, Mathematics, Biology and Home Science laboratories. It also has well set Sculpture Lab, Activity Room, Painting Lab and Art room.

EDUCATIONAL AIDS

The school has educational toys available in each classroom for Pre-School and Pre-Primary. Many teaching aids are also available in the Primary Wing of the school. CD's with rhymes are played for the children in the Activity room. For Pre-school and Pre-Primary students, a mini Gym has been set up for the fun-filled physical activities in an enclosed and environment friendly area. A Reading Corner with attractive Pop up Books has been designed in the activity room with the colourful back drop related to different books to make the art of story telling and reading more enjoyable to the children.

COMPUTER LABORATORIES

There are two well equipped Computer Laboratories in the school, one for Senior School and the other for Primary School. All Computers available are installed with Multimedia, LAN and Internet facilities. Computer education is compulsory for students from class I to VIII and for rest of the classes computer studies are offered under VPA/Work Experience. For the students of classes XI and XII, Computer Science is available as an elective subject also.

INTERNET AND E-MAIL FACILITIES

Internet and E-mail facilities are available in the school for the students. Students are involved in exchanging the projects with the students of other countries through ISPT programme.

COMPETITIVE CLASSES

The school arranges special classes for the competitive tests such as Arya Bhatta, NTSE, J.S.T.S.E., J.E.E. Entrance Examination, P.M.T. and N.D.A. etc.
