# ABOUT NCJPS MUN

N.C. Jindal Public School Model United Nations is a two day international relations simulation for school and college students being held for the first time virtually on 25th and 26th October, 2021. At NCJPS-MUN,2021 delegates gain insight into the workings of the United Nations and the dynamics of international relations by assuming the roles of UN representatives and members of other international bodies and national cabinets. NCJPS-MUN,2021 is an exciting opportunity for students to debate issues that confront world leaders and to draft resolutions in response to these global issues.

Participants will develop their abilities to work with others who are equally motivated and passionate about the topics of debate and to respond to global concerns.

NCJPS-MUN,2021 strives to foster a constructive forum for open dialogue on complex global issues, including international peace and security, and economic and social progress.

Delegates learn the importance of balancing national interests in consort with the needs of the international community, while also learning about the powers and limitations of international negotiation. We look forward to welcoming the delegates from your esteemed institution to this virtual edition.

# MESSAGE FROM THE CHIEF ADVISORS

It appeases extensive exultation to us in setting the 1st Edition of NCJPS-MUN,2021 in order and, withal, inviting participation discerning the international character and unparalleled learning-sourcing from this event. The world, as it is bound today with the chains of Covid-19, has never been closer to act with the sense of 'commonality and distinguish' elaborating a hard held dichotomy yet an essential to act on the array of subject coursing a policy.

The opportunity of learning in harmony and elaborate trans-disciplinary fashion allows an individual to understand the otherwise 'overspecialized' discipline in coherence with the more familiar subject. With the stage set for the NCJPS-MUN,2021, We assure this conference to be of pristine academic and co-scholastic competence owing to the sincere efforts of the devoted organizing members and the team of committed students. We extend our best wishes to NCJPS-MUN,2021 1st edition in sating an exhibit of excellence and upholding the mighty foundation modeled by its predecessors.

Looking forward to a fruitful conference ahead.

Regards,  
Aryan Sharma and Sidhartha Singh Gandhi  
Chief Advisors
